# CoderDojo Athenry

# "Above all, be cool"

**Every week:**

✓ Sign in at the door

**If you are new:**

✓ Fill in Registration Form

✓ Ask a Mentor how to get started

**Make sure you are on the Athenry Parents/Kids Google Group email**: coderdojoathenry@gmail.com

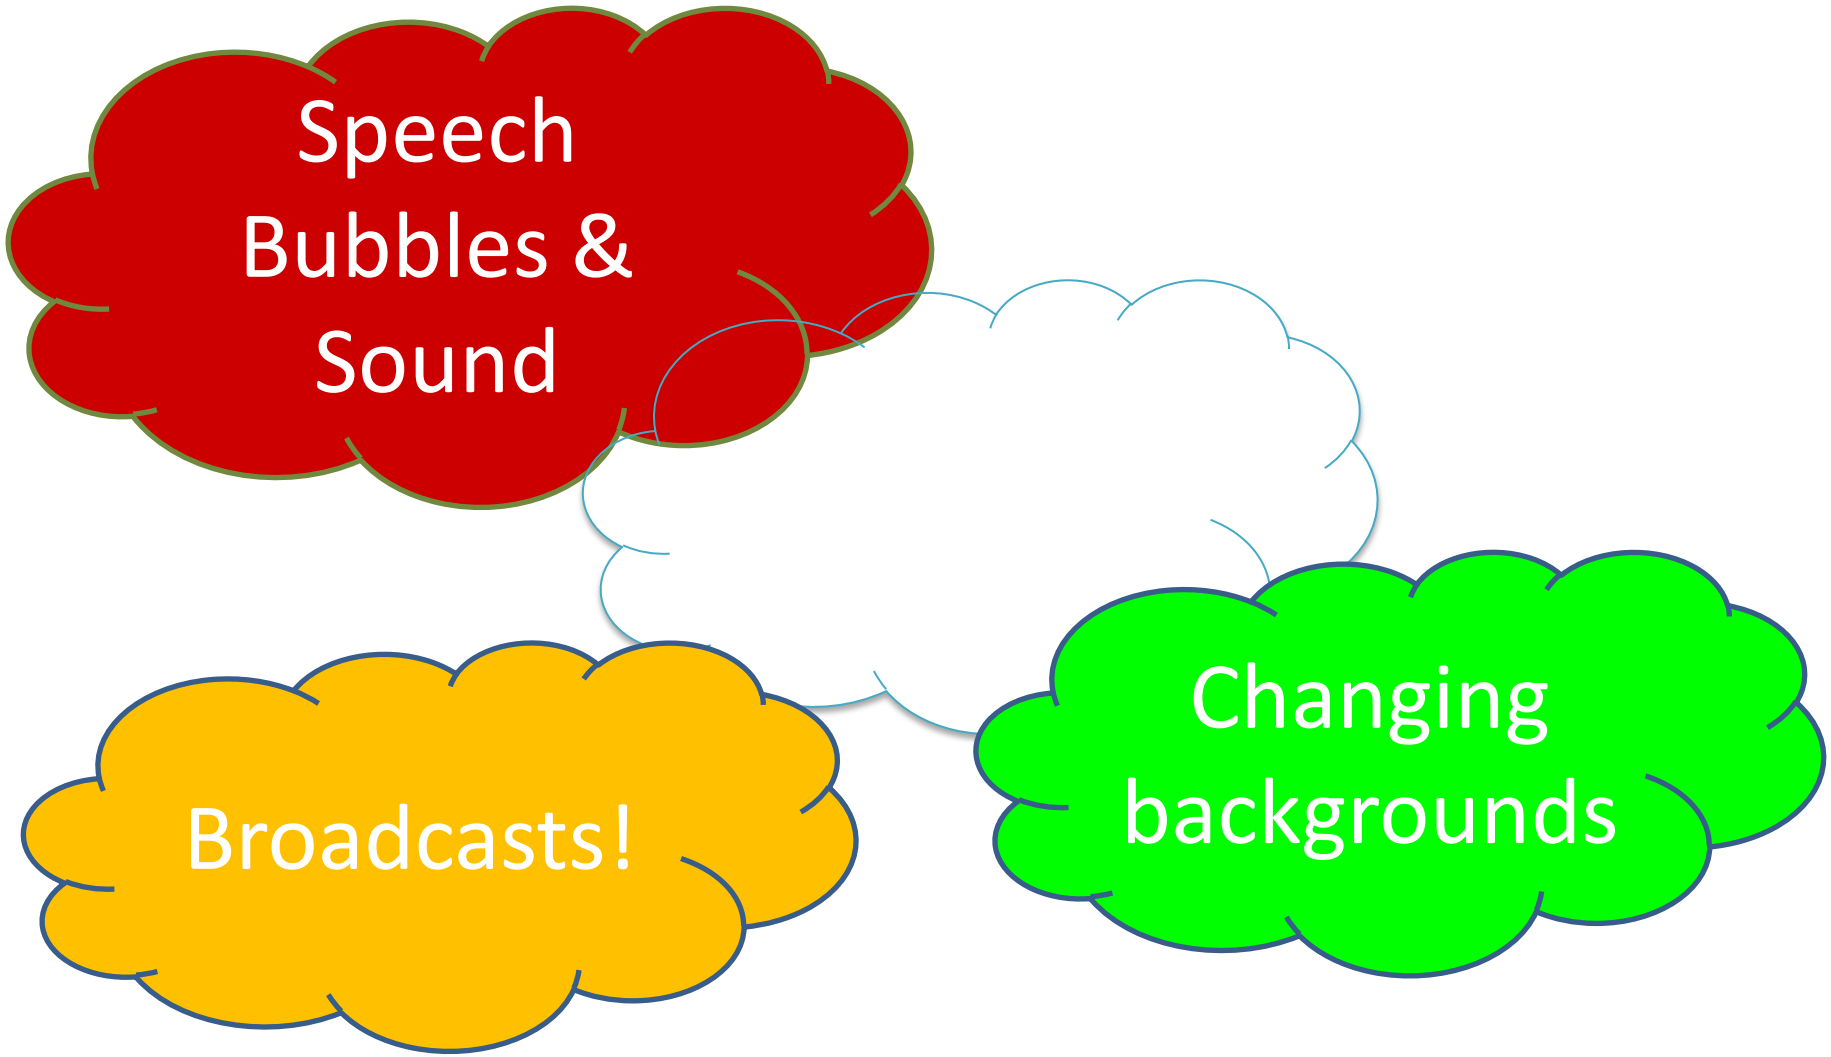
# CoderDojo Athenry

## Scratch Beginners

Code and notes by Martha Fahy

# Today's Challenge: Storytelling

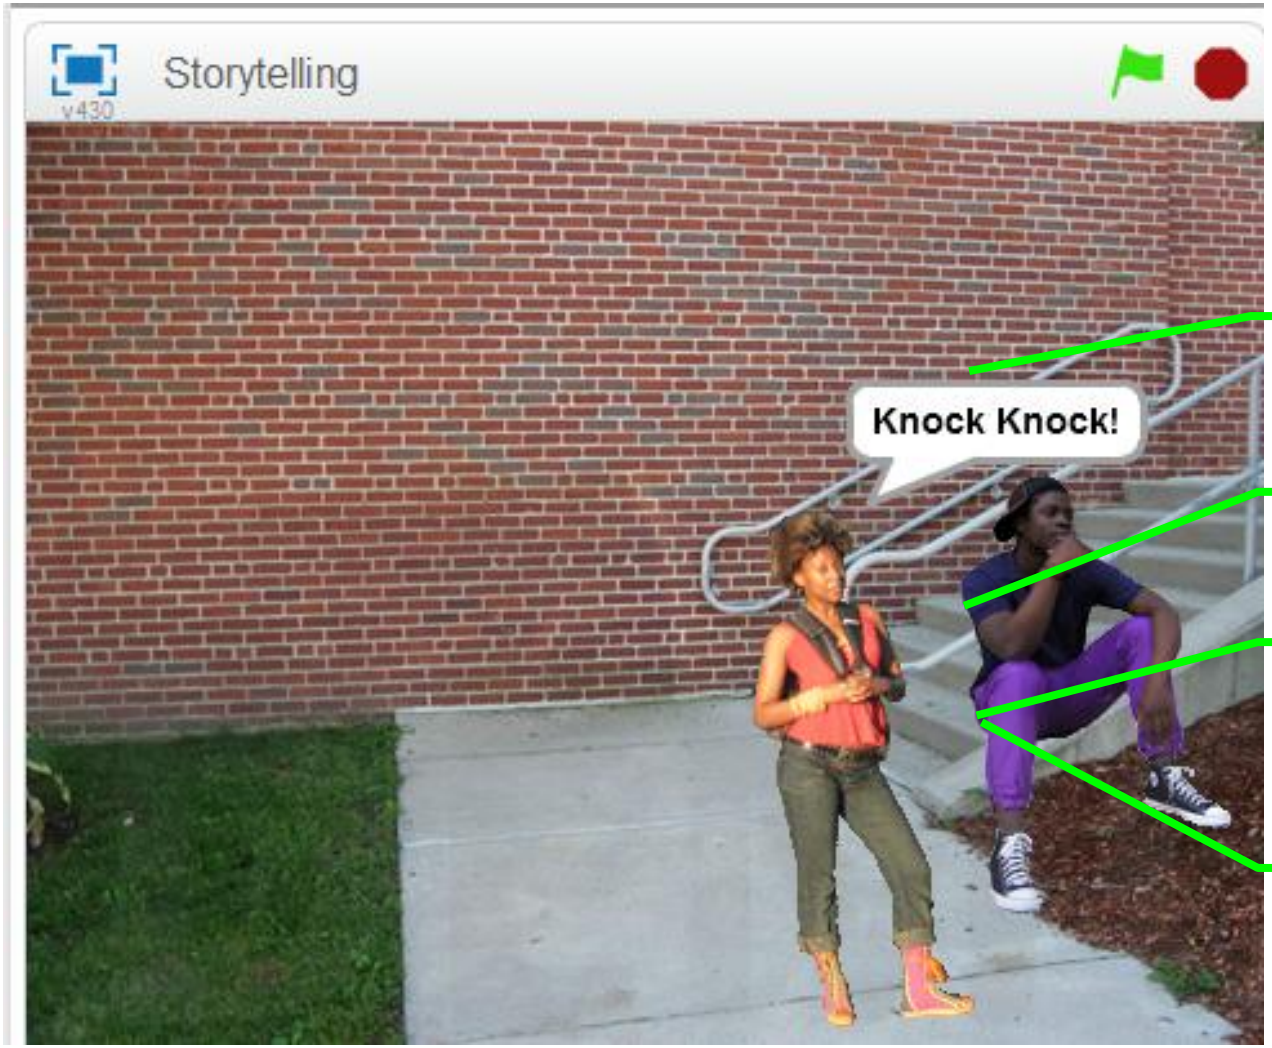
# Today's Big Ideas



# Telling A Story

Your sprites can be **actors** in your own story or joke!

# How To Do It



Decide what they should do & say

Pick some sprites

Place your sprites and have them come together to chat

You can time it and use waits so they sync up, but we will be using **broadcasts**.

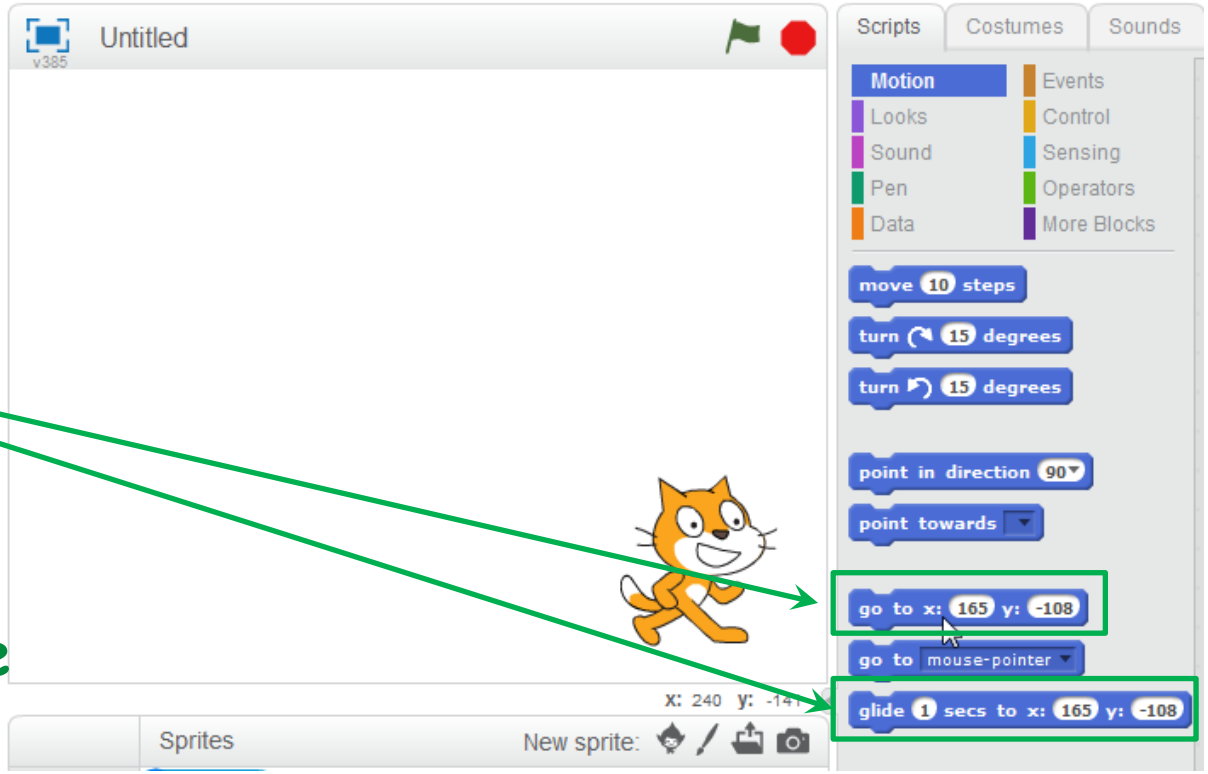
# Go to x: ☐ y: ☐

SCRATCH 2 makes this very easy:

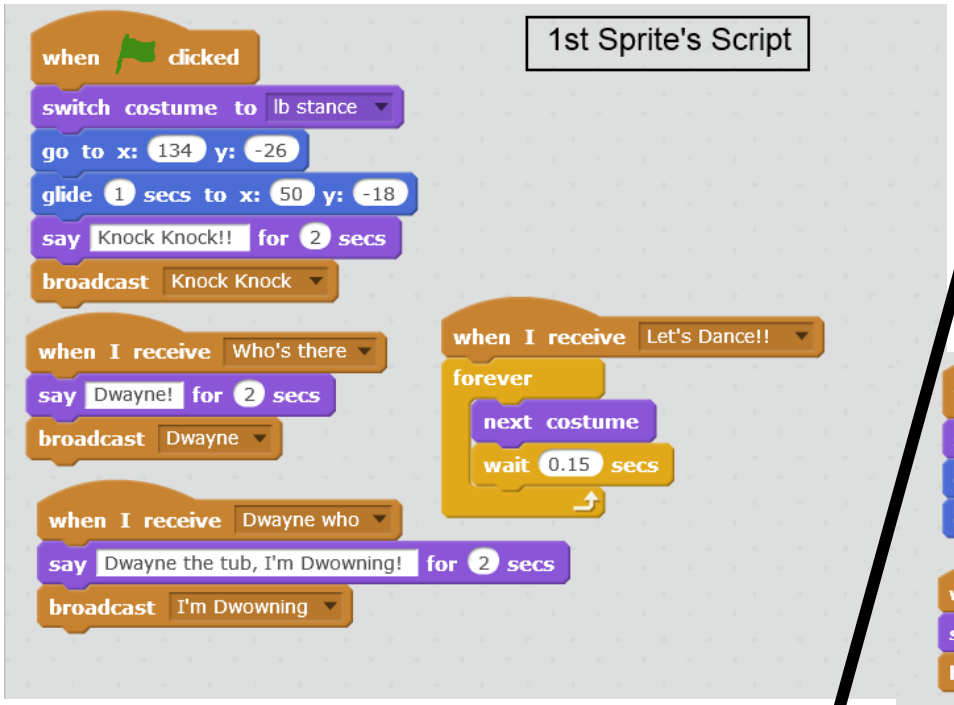
Select your sprite and move it to a position on the stage

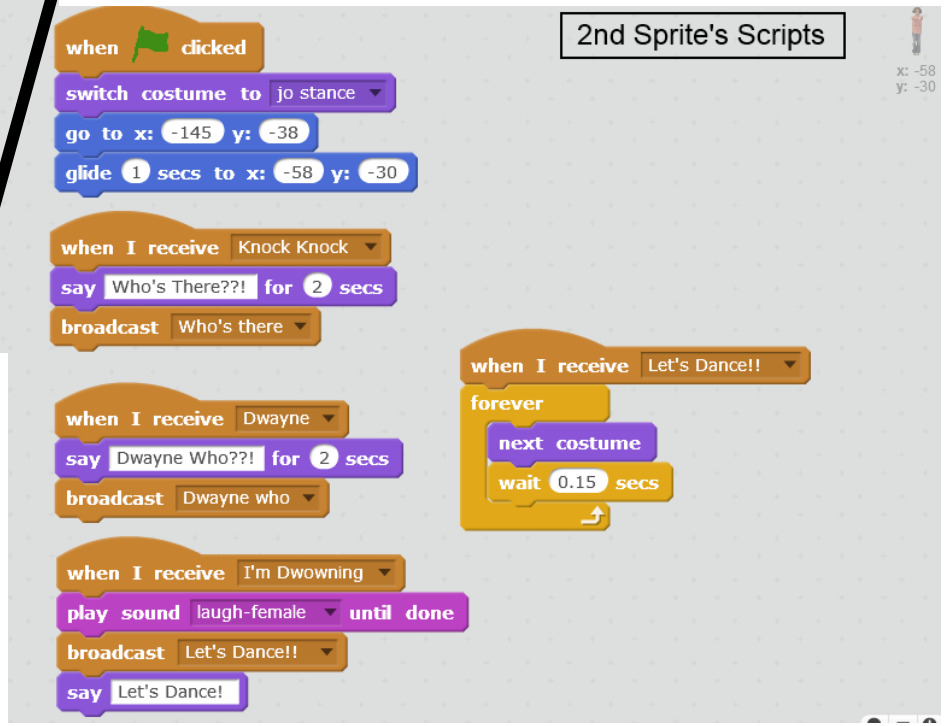
These co-ordinates will show on the coding blocks

Drag and drop the coding block into the scripts page.



# How To Do It: The Code





Check your coding as you go by clicking the green flag, often!

# You Can Do Lots More!

Think of new **stories** or **jokes**

Record voices on the **Sound** tab

**Animate** with different costumes

Use **Broadcasts** for more syncing

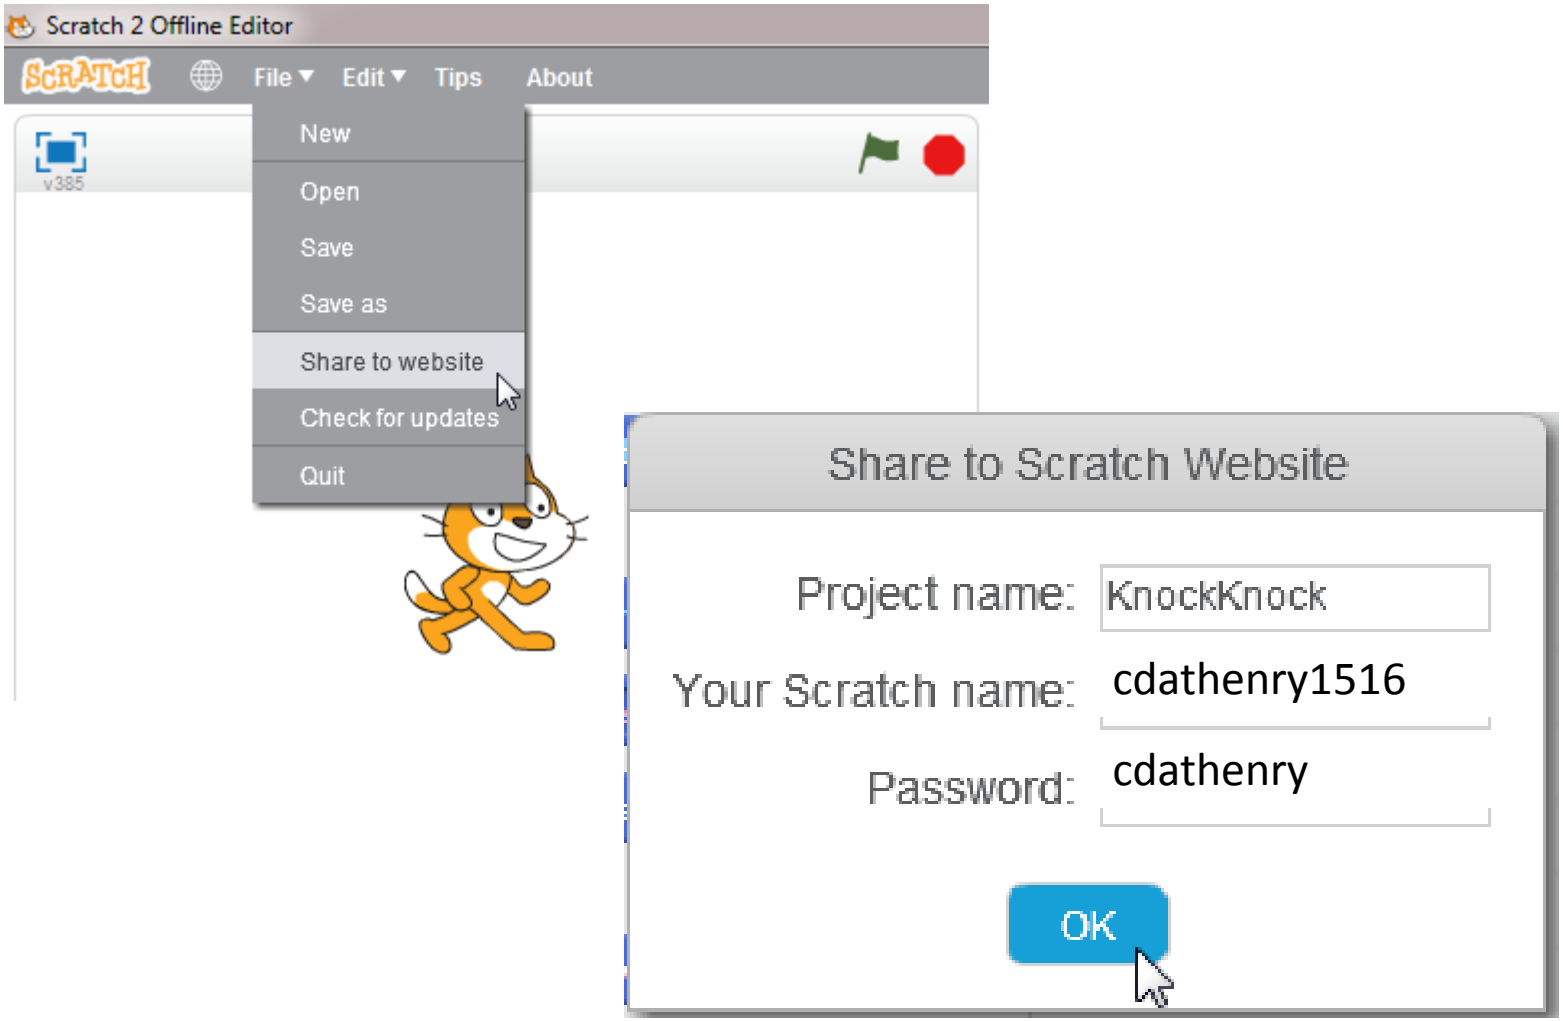
# At the End …

Upload your project to the Scratch Website

user: **cdathenry1516** password:cdathenry

Access it from home

Improve it

Show your friends!


# Uploading to Scratch Website
