What Is CoderDojo?

- “A global network of free, volunteer-led, community-based programming clubs for young people.
- Anyone aged 7 to 17 can visit a Dojo ...
- where they can learn to code, build a website, create an app or a game, and explore technology ...
- in an informal, creative, and social environment”

CoderDojo Around the World

First dojo started in Cork in July 2011

Now more than 1100 dojos in 63 countries

Safety

Youth under the age of 12 must be accompanied at all times by a parent/guardian. Do not leave your child unattended.

Code of Conduct

We value the participation of each attendee of the CoderDojo Athenry community and want all attendees to have an enjoyable and fulfilling experience. All participants are expected to show respect and courtesy to other attendees throughout our events.

Clean up

We rely on hosting our events for free at pro bono spaces. Please be courteous and clean-up after yourself and encourage others to do the same.

Model Release

CoderDojo uses photographs to record and promote its activities. Any person in attendance at our Dojo may appear in photographs that are used on the CoderDojo webpage(s) and in the CoderDojo Twitter feed or for general public relations purposes. If you have any issue with this please contact any Mentor.
