What Is CoderDojo?

- "A global network of free, volunteer-led, community-based programming clubs for young people.

- Anyone aged 7 to 17 can visit a Dojo …

- where they can learn to code, build a website, create an app or a game, and explore technology …

- in an informal, creative, and social environment"

CoderDojo Around the World

First dojo started in Cork in July 2011
Now more than 1400 dojos in 70 countries

www.coderdojo.com

CoderDojo Athenry

Started in March 2012

Largest dojo outside a city in Ireland … possibly the world!

CoderDojo Athenry

Entirely free to participate

- No fundraising or "voluntary" donations
- Keep costs minimal – free end-of-year party
- Some grants & sponsorship
- Teas and coffees

Great support by mentors and community

- Use of school
- Loaner laptops
- Mentors very generous with their time
- Consider volunteering!

CoderDojo Athenry is Influential!

Safety
Youth under the age of **12** must be accompanied at all times by a parent/guardian. Do not leave your child unattended.
Code of Conduct
We value the participation of each attendee of the CoderDojo Athenry community and want all attendees to have an enjoyable and fulfilling experience. All participants are expected to show respect and courtesy to other attendees throughout our events.
Clean up
We rely on hosting our events for free at pro bono spaces. Please be courteous and clean-up after yourself and encourage others to do the same.
Model Release
CoderDojo uses photographs to record and promote its activities. Any person in attendance at our Dojo may appear in photographs that are used on the CoderDojo webpage(s) and in the CoderDojo Twitter feed or for general public relations purposes. If you have any issue with this please contact any Mentor.
