CoderDojo Athenry Will Resume in mid September

New people always welcome:
Invite friends if you
think they'd like it

You can continue or
progress to a new group

We will plan new events!

CoderDojo Athenry

Hackers' BattleBots

Both bots designed, built and coded from scratch by the CoderDojo Athenry Hackers!

Hider Bot:

- Arduino based
- Human driver
- RC transmitter & receiver

Seeker Bot:

- Autonomous: no human driver
- Raspberry Pi based
- Uses camera to search for a specific colour
